## BC AMATEUR FTC COVID GUIDELINES

Please read the following guidelines which have been established to promote health and safety of everyone during the covid situation. **It is assumed that sending in your entry means you accept and will abide by these recommendations.**

1. Clubs, officials and participants are required to follow guidelines that apply to the area where the event is held. If at the time of the draw, travel between provinces is still being discouraged, then only BC entries will be accepted.
2. Practice social distancing. Avoid congregating to the extent possible. Gallery must practise social distancing – 6 ft. between chairs.
3. Avoid shaking hands or hugging.
4. Avoid touching dogs or equipment that is not your responsibility.
5. Park with sufficient distance between vehicles if possible.
6. Remain near your vehicle until just prior to running and follow marshall's instructions regarding running order and entering the holding blinds.
7. Any special instructions from the judges will be posted in the last holding blind.
8. Handlers will be invited to the line in smaller groups. It is possible, depending on your number, that you will not see the test dog run from line. You will have the opportunity to see other dogs run from the holding blind while waiting to run.
9. Anyone on line should maintain adequate distance from the handler as blowing a whistle could project a vapour.
10. Gloves must be worn while running.
11. Judges should bring their own equipment – chairs, coolers, pens/pencils. Hand sanitizer will be provided.
