

The National Retriever Club of Canada

Judge Selection Ballot

20 National Amateur Retriever Championship Stake

Careful consideration must be given to the qualifications as set out below:

1. Judges selected will have a majority of the votes, as received by the NRCC Secretary, from the members in the nominating zones. If there is a tie, directors from the appropriate zone will select the best qualified candidate. Ballots are to be received from a majority of clubs in a zone or the Executive Committee may make their own selection. In all cases the selection will be ratified by the Executive Committee.
2. Judges should be thoroughly experienced in the handling, training and evaluation of working retrievers. **Individuals must be presently active in the field trial game as evidenced by handling a dog in All-Age stakes within the past five years.** Overall experience and active involvement in the sport of field trialing must be considered when making judge selection.
3. **Individuals must have judged at least five CKC approved All-Age stakes within the past five years.** (AKC approved trials will count for these purposes)
4. Judges are to be amateurs, Canadian residents (one judge can be American, as long as they meet the rest of the requirements) and CKC members.

Judge Selected _____

Mailing Address _____

City _____ Province _____ State _____ Postal/Zip Code _____

Email address _____

Club _____ Zone _____

Club Officer _____ Date _____

Thank-you for the vote! Please return this form before **Sept. 1st**, to:

Laura Danforth, NRCC Secretary/Treasurer
Box 601, Irricana, AB T0M 1B0
